State Relays 2013

State Relays are to be held on 16th and 17th November at Sydney Olympic Park. Last year RBH entered 13 teams and we would like to have more teams this year. We call all athletes to make themselves available for this competition.

State Relays are ideal lead-up competition before major season commence. It is rare opportunity to compete as a team.

More details about State Relays (including timetable and rules) is available [here](#) .

Please note that club will pay entry fee for every team and all you have to do is show up in your **club uniform** with your **reggo bib** and compete well. Please try to be at Homebush track at least 70 min before race because we have to submit final team (in running order) 1 hour before race. We will be based around bay 10 at grand stand.

For all enquires about State Relays email us at info@rbharriers.com or ring Alija Kajan on 0403956477.

The final teams are shown below.
