### State Relays 2014

State Relays are to be held on 15th and 16th November at Sydney Olympic Park. Last year RBH entered 12 teams and we won 2 gold and 3 silver medals. This year we want to do better. We call all athletes to make themselves available for this competition.

State Relays are ideal lead-up competition before major season commence. It is rare opportunity to compete as a team.

More details about State Relays (including timetable and rules) is available [here](#) .

Please note that club will pay entry fee for every team and all you have to do is show up in your **club uniform** with your

Sprint coach Leo Hollestelle kindly offered a training session to any of the men's or women's Open or U20 4 x 100m, 4 x 200m or 4 x 400m relay teams. This could be one training session before the meet and one on the day before the heat and/or final.
