## PRESIDENT'S REPORT

Despite the Covid-19 pandemic, it was onwards and upwards for RBH - wow this year's achievements were difficult to cram into one report!

This year in competition, six of our members competed internationally, with one captaining Australia, we earned 10 national medals, 10 state titles, 30 state medals, and two Athletics NSW awards.

Off the track, we introduced two new ways of promoting ourselves, increased our volunteer fundraising, set up a new registration portal and digitised our money takings.

### **Achievements by our Members in International Competition**

We were represented by two members at the World Athletics Championships, in Doha, Qatar:

- Steve Solomon, who was Australian Team Captain, made the semi-final in the 400m event and ran 1<sup>st</sup> leg in the 4x400m relay team who made the final.
- Morgan McDonald narrowly missed the final but beat his more senior team mate, Pat Tiernan, in the process.

Three members were selected to represent Australia at the Oceania Championships in Townsville, Queensland. Steve Solomon won gold in the 400m and Charlotte McGill achieved bronze in the U18 Long Jump. James Tirado also competed.

Steve won another gold at the Pacific Games in Apia, Samoa.

Lora Storey and Stefan Music competed at the International Continental Tour in Auckland, New Zealand.

### **Achievements by our Members in National Competition**

The following members earned medals at National Championships this year:

- Charlotte McGill (x2) – Gold, U18 Long Jump /Bronze, U18 Triple Jump
- Milly Boughton (x2) - Gold, U14 3000m Walk (second Gold at All Schools in same event)
- Piper Simpson (x2) – Gold, 800m/1500m (Schools Sport Championships)
- Steven Solomon - Gold, Open 400m (his 6<sup>th</sup> title!)
- James Tirado – Bronze, U20 T13 1500m
- Jayda Stanley – Silver, U14 3000m Walk (All Schools)
- Eleanor Miller – Silver, U18 3000m (All Schools).

The Club provided financial assistance to six members who competed in National School events in either Perth or Darwin, both over 3000km away, in keeping with our mission to provide a pathway to excellence.

## **Achievements by our Members in State Competition**

Our achievements at State level were outstanding, with approximately 30 medals won over all. In addition, I can't remember seeing so many members take on the gruelling Long Course Championships at Nowra – it was a blue and yellow ocean! The following members earned gold medals at state events this year:

- U16 Men's team (x 3) - Long Course Cross Country/Road Relays/4x1500m Track Relays
- Milly Boughton (x3) U16 3000m Walk - ACT Championships/Junior Champs/All Schools
- Anthony Vlatko (x2) Open/U20 800m – Track/Junior Championships
- Steve Solomon Open 400m – ACT Championships
- Steve Solomon and Lora Storey 4x400m mixed (record) – Track Relays
- James Tirado (x2) T13 U20 800m/1500m – Junior Championships
- Hannah Parker U20 5000m Walk - ACT Championships
- Rory Wyley U18 1500m - ACT Championships
- Bailey Habler U17 3000m – Junior Championships
- Hannah Parker U20 5000m Walk – Junior Championships
- Nicholas Kollias U20 High Jump – Junior Championships
- Sophie Ferenczi U17 3000m – Junior Championships
- Manu Sivaraj 50+ - Short Course Cross Country
- Eleanor Miller U16 Girls 3000m - All Schools.

At the Athletics NSW awards, Morgan McDonald was recognised as the Best Open Distance and Cross Country Athlete and Warren Williams won the Recreational Running Coach of the Year award.

Special mention to our Under 16 Men who won the Winter Premiership convincingly and went on to earn gold and bronze in the same 4x1500m event at the track relays!

### **New RevSport membership portal**

Due to issues with the previous OneSport registration platform, Athletics NSW commenced using the RevSport platform. All affiliated Clubs were required to set up their own portal and I'd like to especially thank our Registrar, Guy Griffin, for setting ours up with our Club banners – we were one of the first two clubs in the state to do so!

### **Square reader**

To provide a more convenient alternative to cash when purchasing uniforms at events, and to future-proof us against an increasingly cashless society, we purchased a Square Reader device. This allows the Club to receive tap-to-pay credit card payments. The 1.9% transaction fee is being absorbed by the Club as these transactions are also more convenient for our Committee Members.

### **Club Promotion**

We've expanded our branding after purchasing RBH cones for the coaches and RBH calico bags for all members. The coaches inform us that the cones

are sturdy and very visible, and we are very happy with the quality of the calico bags which have proven to be a popular purchase item for members and a useful gift on presentation days.

We again presented our RBH Award for Academic Encouragement at the Randwick Girl's High School presentation day.

### **Volunteering**

The Club hosted its second Bunnings BBQ and we were very happy to increase our profits from last year.

We were also present at our usual drink station, near the SCG, during the Sydney Marathon.

For the first time, we provided volunteers for the RunWest fun run carnival, earning further proceeds for the Club.

A special thanks goes to those who lap-scored at the State 5k event – although all clubs were asked to provide lap scorers, RBH were the only club to do so! We also provided volunteers for the State Junior Championships.

### **Covid-19 Pandemic**

A big thank you here for everyone's efforts in coping with the unprecedented restrictions we have faced during this pandemic. The coaches deserve credit for adapting well and I credit their patience and ability to adjust their expectations according to the changing government advice.

The Club activated a Strava application to allow members to compare their performance remotely.

---

To conclude, I recall ending the calendar year with our Presentation Day, the best in memory, and how proud and happy this event made me feel. It's great to see such positivity around the Club and thank you all for your efforts – I look forward to more of the same!

Jim Dawes  
President

## SECRETARY'S REPORT

Another successful season for RBH athletes, albeit pandemically quieter, in competition locally and further afield.

We welcomed Tony Fryer to the RBH Committee, a move that was unanimously supported by members of the group. Tony has a long, generous commitment to athletics, and, through his sons Kurt and Drew, to RBH. Tony brings his considerable personal and professional experience to the Club, many thanks Tony.

At the 2019 AGM we conferred life membership of RBH on Nicholas Cope. Congratulations again to Nick for his athletic performance and achievements over a very long period, and his significant and ongoing contribution to the Harriers.

The Committee has been active in pursuing a number of priorities this past year. These include:

- Exploring further social media platforms for the Club, for both informational and promotional purposes
- Providing additional RBH equipment, in particular branded witches hats
- Creation of a new Website, and communication/athletic performance services (Strava) associated with this. Many thanks to Drew Fryer and Steve Solomon for their expertise and effort in the website design and creation.
- Other opportunities to fundraise, attract and financially support athletes who are competing (inter)nationally.

Many thanks for the continuing support of the Doncaster Hotel for the use of their meeting room.

Patrick O'Reilly

## TREASURER'S REPORT As at 31 March 2020

For the Financial Year ended March 2020 the club made a loss of \$3719.

There was significant increased expenditure on athlete assistance this year, making up \$2000 in total. For comparison FY 2019 was \$400 and FY 2018 was \$800. We expect that with the new Athlete Assistance Policy in place this should help to moderate athlete assistance cost in the coming years.

Additional notable expenses were ANSW sponsored athletes at \$1,230 and State Relays (including walks) at \$1850. Uniform purchase costs were \$2372 for the year.

On the revenue side we again had great success with the Bunnings BBQ fundraiser, which pulled in a net profit of \$1226 for the day. Fun Run Assistance at the Sydney Running Festival earned us \$500. Registration Fees (\$1059) and uniform sales (\$2176) continue to make up the bulk of incoming cashflows.

Net assets at 31 March 2020 are \$43,147. The main component of this is the balance of the ME savings account which stands at \$25,071. It should be noted however that cash at bank is higher than previous years and some of this money has now been returned to the savings account post March 2020. This cash movement between accounts was due to our transition from ING to ME bank in 2019. Uniform stock stands at \$10,525 at 31 March 2020.

FY 2020 has seen significant expenditure and a decrease in our overall net assets. We have a healthy asset balance and are not facing any imminent financial hardship however the club should continue to seek out sponsorship opportunities to ensure our long term financial viability.

## TRACK AND FIELD REPORT

2019/20 season was quite successful for our club. We featured prominently in most of team events that we took part in. Same as last year our two top performing athletes were Steve Solomon and Morgan McDonald with both athletes representing Australia at World Championships in Doha, Steve in both 400m (reached semi-final) and 4x400m relays and Morgan in 5000m (eliminated in heats). Steve Solomon was first competing at Pacific Games in Apia where he won 400m with very good 45.62. Also, at Oceania Championships, Steve claimed 2 gold medals, 400m individual with time of 46.12 and 4x400m relay. At the same competition Charlotte McGill claimed bronze medal in U18 girls long jump with 5.65m.

The medal tally at NSW Juniors Championships was really great this year with our juniors claiming impressive 15 medals (8 gold, 2 silver and 5 bronze). The gold medallists were Anthony Vlatko (800m), Bailey Habler (3000m), Hannah Parker (5000m Walk), Milly Boughton (3000m Walk), Nicholas Kollias (high jump), Sophie Ferenczi (3000m) and James Tirado with 2 golds (T-13, 1500m & 800m).

The culmination of season would normally be Australian Junior and Open Track and Field Championships but this year this most important competitions have been cancelled due to COVID-19 pandemic.

Throughout summer season our club participated in “Treloar Shield” series and scored 2711 points to finish 14<sup>th</sup>.
